

**Veronica C. Locke is a Manager of Policy, Accreditation for the National Committee for Quality Assurance (NCQA). She is actively involved in the development and maintenance of the standards and guidelines of NCQA's Accreditation and Certification programs, specifically Health Plan, Disease Management and Multicultural Health Care Distinction programs. As a member of the Policy team, one of her major responsibilities is to serve as a content champion, concentrating in credentialing and delegation, when providing policy clarifications and trainings internally and externally. Veronica received her undergraduate degree from University of Maryland in Public Health and graduate degree from Georgetown University in Health Administration.**
